GENERAL CONDITIONS

General conditions defined prices of lease of office space and land, advertising, parking, use of airport premises and VIP treatment, preparation of ID cards, commission from sales of goods, guarding service, manpower, training of personnel, recording services, service of prices and conditions to be met to be granted discounts.

1. PRICES

- 1.1. Prices are quoted in KM (Convertible Mark). Prices do not include VAT (Value Added Tax) which is borne by users of services, except for car parking, internet and cable TV, i.e. the services marked for including VAT.
- 1.2. Prices include overhead costs, phone extension line (within the Airport) and one parking lot. In addition, a parking lot is granted to airlines that have not leased office space.
- 1.3. For the lease of space for installation of self-service vending machines for hot and cold drinks and self-service appliances with confectionery products in the premises at the Airport location (appliances intended for use by Airport employees and support services), the announcement will be a public call / announcement / tender. The minimum starting price for the purchase of self-service appliances is 25% of the total realized monthly gross turnover, which is determined at the end of the month on the basis of electronic traffic monitoring.
- 1.3.1. "The amount of a commission fee/discount for credit sales of goods to the employees of the Airport Sarajevo, which the business partner approves to the Airport Sarajevo based on effective credit sale agreement, is 3% of the value of the goods sold.
- 1.5. In case of changes market prices, the Airport hold right to change prices and business conditions, of which legal entities that have a contractual relationship will be notified in a timely manner.
- 1.6. Amendments to the Price List in the current year will be made on the basis of the decision of the Management Board, and at the proposal of the director of the sector.

2. PAYMENT

- 2.1. Accounting and settlement of services are made in KM (Convertible Mark), either in cash, by bank transfer or other legal ways of payment.
- 2.2. In case of a changed price during calendar year, user will pay the price being in force on a day the service was provided.

In case of advance payment, the price will be calculated according to the Price-list valid on a day of payment until the advance is spent. If the advance payment is not spent entirely during contracted period when the advance payment was made, the same prices and conditions will be applied in a new contracted period.
- 2.3. For users having head offices out of Bosnia and Herzegovina, services shall be invoiced in EUR, at the mean rate of the Central Bank BiH, valid on a day of invoicing.
- 2.4. Airport keeps the right to require users to obtain payment instrument insurance.
- 2.5. In case of payment delay, default interest will be calculated according to the law.

- 2.6. In case of cancelling the use of office space-container, user is obliged to inform the Airport in written form 24.hrs. before planned use of the office space-container. Otherwise the Airport will issue an invoice regardless of the fact it was not used.

3. USE OF AIRPORT PREMISES FOR GOVERNMENT-FINANCED INSTITUTIONS

- 3.1. Budget institutions that are of special importance for the functioning of the Airport, such as: Indirect Taxation Authority, Border Police, Intelligence and Security Agency, BHANSA, Sanitary and Veterinary Inspection, are approved to use business premises with overhead costs (heating, water and sewerage, electricity, garbage collection and cleaning). Prices of overheads are regulated by the Price List of Complementary Services.
- 3.2. The Federal Ministry of the Interior – Federal Police Administration is granted a 60% discount on the service of renting land for a container and renting land for other purposes.

 - 4.8.4. For use of airport space for making student or similar non-commercial movies, under condition of submitting of relevant documentation-evidence, 80% discount.

Note:

Discounts are applicable for strictly defined lease period. In case the contract is terminated before expiry of contracted lease period, the discount shall remain unchanged. Except for the aforementioned, the Company shall not make corrections to already approved discounts defined by item 4 of the Price List of Complementary Services for the lessees that have a concluded Agreement with the Company for the lease of the premises at Sarajevo International Airport and that encounter difficulties in business operations caused by natural disaster declaration or the disaster of any other kind (problems in business caused by spreading of contagious diseases and similar).

Under the conditions when the lessee delivers a written certificate (evidence of initiating a bankruptcy procedure, liquidation request, etc.) used to prove the uncertainty of his future business due to financial issues for which he temporarily cancels the agreed leases, a no-fault contract termination may be approved without calculating the difference in approved discount

Tenants of business premises who move to a temporary location are granted the right to use discounts approved through the basic lease agreement for the period of use of temporary business premises.

The above mentioned discounts cannot be combined.

The Lessees whose visibility of the leased office space has been reduced due to works that are in the domain of the Lessor, are allowed to display an advertising board-banner until the completion of the works that will restore the visibility of the office space to its original state.

Sarajevo Airport enables setting up logotypes related to the cultural heritage and promotion of the City of Sarajevo inside/outside of the terminal building that have previously been approved by authorized sectors and after signing a Contract on Business Cooperation.

Lessees that have lower visibility of the leased business area at the terminal building due to the location of the stated area, may set up an advertisement panel-banner at the location previously approved by the Lessor."

Lessees may set up a stand at the location inside the terminal building, pursuant to the previous approval by the Lessor, for performing promotional activities related to retail/hospitality services provided in the leased business area.

Discounts for leasing business premises are defined under points 4.5.1 – 4.5.6 do not refer to retail and catering facilities.

4.10.3. Space for placing the Info desk, 100% discount.

4.10.4. Free use of the airport infrastructure is approved for the purpose of reportages which aim to promote the Airport Sarajevo and the services the Airport provides as well as for the purpose of reporting via public

4.10.5. The Company's Management Board retains the right to support the projects being of the public interest as well as non-commercial projects and to support the implementation of some services from this Pricelist, partially or entirely, royalty-free, with an obligation of signing the Agreement on business cooperation and/or sponsorship.

- 4.11. The maximum amount of discount that the Company Management may approve in instances of introducing new services is 40% and it will be implemented over a time period of no longer than three months.*

*The stated discount will be deliberated by the Company Management after the Airport Services Sector files a request for approving the discount with analysis and the action proposal, and will as such be applied equally to all users.

5. Other fees

The fee for performing the activity in the MAS area for persons/legal entities with which the Company is not under a contractual relationship in amount of KM 2,000.00 w/o VAT per recorded action.

6. Exemptions from charging the service for parking the vehicle in front of the terminal building of Sarajevo Airport upon exercising official duty:

Sarajevo Airport approves parking vehicles in front of the terminal building of Sarajevo Airport (or in the official parking lot of the New Administrative Building in instance of limited capacities) for the following institutions exclusively upon exercising official duty 1:

- Ambulance vehicles upon performing official activities,
- Police and security bodies at all levels, including the court police upon performing official activities,
- Firefighting vehicles upon performing official activities."

In instance that the upper mentioned institutions utilize the service of parking vehicles in front of the terminal building outside their official duty, it will be invoiced to them pursuant to the valid Price List for Complementary Services.

3.7. MANPOWER

Ord.No.	DESCRIPTION	accounting unit	KM
3.7.1.	Engineer	30'	16.00
3.7.2.	Highly skilled worker	30'	14.00
3.7.3.	Skilled worker	30'	10.00
3.7.4.	Unskilled worker	30'	8.00

3.8. TRAINING OF PERSONNEL

Price of personnel training has been defined on the basis of training programs conducted in the Training centre at Sarajevo International Airport, i.e. on curriculum (number of subjects and classes – theory and practice).

The price of the training service for professional staff is increased by 100% per candidate for training that takes place outside the regular exam deadlines, if the conditions for training are created.

The price includes:

- Training according to the Training Plan and Program,
- Supplies (exam forms, sketch blocks and pencils),
- Exam (written, oral, practice),
- Certificate.

Correction of prices:

Prices are corrected in the following cases:

- a) In case of applying for a tender, discount will be defined by the Management, depending on a type of training and number of trainees.
- b) For groups of more than 5 trainees, the price is reduced for 15 % per trainee.
- c) For groups of more than 10 trainees, the price is reduced for 30 % per trainee.
- d) The training courses held in B&H and outside the country shall be additionally increased for travel expenses, daily allowances and accommodation per day, per instructor.
- e) Validation - training certificates, work permits, certificates on passed specialist courses and each subject gained in external training centres, not connected to the Training centre of Sarajevo International Airport
 - 70.00 KM per applicant.
 - Price of the subject to be additionally attended and the exam to be taken in the process of validation– 20,00 KM
- f) Practical training on request (operating the equipment - all type of ground handling equipment)
 - 20,00 KM po kandidatu.
- g) Practical training on request - de-icing / anti-icing of aircraft and maneuvering surfaces
 - 50,00 KM per trainee (if conducted at our testing ground, it includes use of de-icing fluids, granulates etc...)
 - 30,00 KM per trainee (if conducted at applicant's testing ground, with their de-icing agents)
- h) Discount on total price of training (per pro-forma invoice/invoice)
 - 20% - New customers who use Training centre services for the first time,
 - 10% - Customers who continuously use Training centre services (regular refreshment courses, periodical courses, etc.).

- i) Specialist course: handling fire-arms:
- Conducted only for authorized persons who have FMUP approval.
- j) Discount up to 100%, including VAT, on all trainings courses which have a direct impact on ground handling of aircraft, passengers and cargo, for those which are imposed by the law as obligatory, for institutions and agencies being involved in ground handling of aircraft, passengers and cargo whose work has an impact on security and operational level of Sarajevo airport, as follows:
1. Border Police BiH – Unit of BP at Sarajevo Airport;
 2. Professional Fire Unit of Sarajevo Canton; 2nd fire troop – Airport branch;
 3. UIO BiH – Customs branch office at Sarajevo Airport;
 4. P.I. Institute for ambulance service of Sarajevo Canton – ambulance service at Sarajevo Airport;
 5. BHANSA - AKL Sarajevo.
 6. OSA - Intelligence and Security Agency of Bosnia and Herzegovina, personnel deployed to the AP SJJ;
 7. Federal Administration for Inspection Affairs, Border Sanitary Inspector assigned to the AP SJJ;
 8. Veterinary Office of Bosnia and Herzegovina, Border Veterinary Inspector assigned to AP SJJ
 9. EUFOR - personnel deployed to the AP SJJ;
